

At Westview Meadows, an easier, better life is waiting for you

Set amid 25 acres with spectacular mountain views, Westview Meadows' gracious inn offers 16 residential care apartments designed for privacy, safety, and maximum independence. They are grouped within their own spacious neighborhood, which also encompasses a dining room, country kitchen, and activity areas. You will delight in welcoming your family to your new home, and Westview Meadows will welcome them, too, as part of our community.

Live your life to the fullest, completely unburdened of those daily tasks that have become difficult. Enjoy your leisure time, make new friends, participate in cultural and recreational activities, and feel good with wellness programs and gentle fitness classes.

Westview Meadows at Montpelier is proudly sponsored by the O.M. Fisher Home, a non-profit organization which for over a half century has been recognized for its strong tradition of providing the highest quality of care possible.

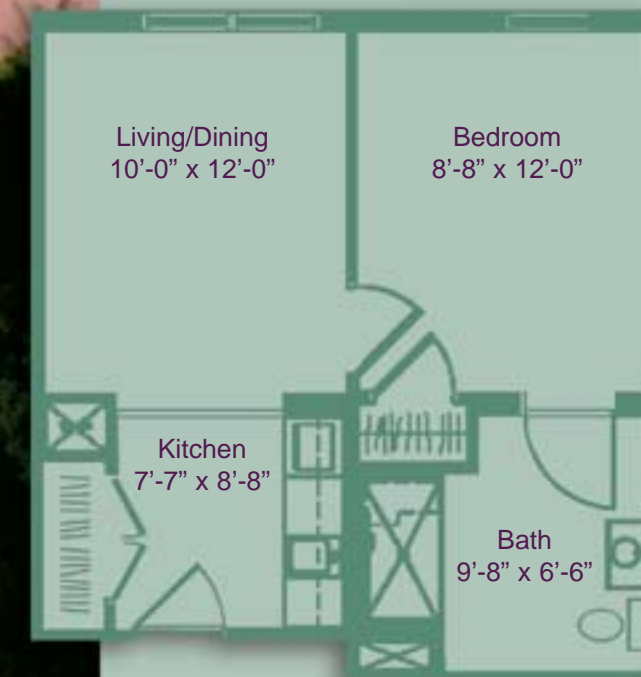

Our carefully trained staff members are always ready to give personal attention.
